My pleasure. He's an interesting guy, there's a strong USC connection and some other areas of interest I think will make him a valuable member.

Todd is in. Said he has invoice in his office. Let me know when he follows through because Jessica should definitely meet with him.

They're not, but they know of CCA. I've spoken to Todd a few times and gave him the pitch. I think it may be a timing issue for him.

Feel free to give him a packet and my card. Happy to follow up.

Are they members? Did see them on the list. Having lunch with him next week.
